

Londer Family Chiropractic Center Earns Coveted Angie's List Super Service Award

Award reflects businesses' consistently high level of customer service

Dr. Irene Londer has been awarded the prestigious 2011 Angie's List Super Service Award, an honor bestowed annually on approximately 5 percent of all the businesses rated on the nation's leading provider of [consumer reviews](#) on local service and health providers.

The following is a quote from a patient: I purchased an Angie's special offer for services at the Londer Family Chiropractic Center. I also had some lower back and knee issues so finding a good therapist was also part of my reason for going to Dr. Londer. She expertly identified my problems and through her therapy and appropriate exercise recommendations has made incredible improvements in my back and knees. The office and staff are pleasant and accommodating. It was a real pleasure for me to find a good and knowledgeable practitioner. I would recommend Dr. Londer to anyone.

"Only a fraction of the businesses rated on Angie's List can claim the sterling service record of being a Super Service Award winner because we set a high bar," said Angie's List Founder Angie Hicks. "The fact that Londer Family Chiropractic Center can claim Super Service Award status speaks volumes about its dedication to consumers."

Angie's List Super Service Award winners have met strict eligibility requirements including earning a minimum number of reports, an exemplary rating from their clients and abiding by Angie's List operational guidelines.

Ratings are updated daily on Angie's List, but members can find the 2011 Super Service Award logo next to business names in search results on AngiesList.com.
